In-Line Blowers
$26.98

237001 (140) 3" Blower
Also Available:
237013 (240) 4" Blower $29.98
Efficient high volume air flow. Quiet operation. Low amp draw. Slip on inlet and outlet ducting connections. Sealed motor shaft for moisture protection. Corrosion resistant nikel plated motor housing. Ignition protected.

Tsunami Series Cartridge Bilge Pumps
Delivers high-capacity, high-efficiency output. Replaceable / interchangeable motor cores makes servicing simple and quick. 3/4" I.D. Hose Discharge

$25.98

236059 (4606-7) T-500, 500 GPH
Also Available:
236078 (4608-7) T-800, 800 GPH $41.95

attwood

Automatic Float Switch
$33.98

236162 (4202-7)
Dimensions: 1-3/8 H x 3-7/8 W x 4-1/4 L

- Converts any bilge pump that draws 12 amps (at 12 VDC) or 6 amps (at 24 VDC) or less to fully automatic operation.
- Compact, low-profile design that mounts on any surface from horizontal up to a 24° angle.
- Incorporates a reliable and affordable mechanical switch that actuates pump motor at 2 water level.
- Contains no mercury, a Persistent Toxic Substance, listed as a health hazard in more than 26 states.

Sahara Series Automatic Bilge Pumps
- Include 36" lengths of 16-gauge tinned copper wire.
- Wire is caulked to prevent water from wicking through insulation jacket.
- Permanent-magnet motor, stainless steel shaft, & steel-reinforced seal ensure powerful, durable performance.

Bait Sentry™ Livewell Pumps
$99.98

353116 (1700-011-030) 800 GPH, 3/4" Ports

Also Available:

353117 (1700-021-030) 1,100 GPH, 3/4" Inlet, 1-1/8" Outlet $109.00

Designed for easy installation and trouble-free operation. Has a unique magnetically-driven impeller. There are no parts mechanically connected. The mag-drive pump can ingest large amounts of debris without damage to the motor. If the impeller becomes locked, the motor magnet breaks free and the motor continues to run at a very low amp draw. There are no seals to burn and dry run conditions are not a problem. The Bait Sentry has a patented anti-airlock feature that automatically clears the air in the livewell system whether the boat is moving forward or sitting still.

marpac Premier

Automatic Bilge Pumps
$77.98

7-2206 600 GPH

Also Available:

7-2208 800 GPH $98.98

Ultima Switch

$38.98

7-2228

- Features Mirus detector cells with "Field Effect" technology, it utilizes detectors with a unique electrode structure that projects dual micro-electric fields that actually detect the presence of water in the bilge
- This patented design allows the detectors to be tuned to read contaminates such as oil or fuel that can foul or stick older mechanical style devices and electronic switches
- No moving parts and no mercury make the Ultima Switch highly reliable and environmentally friendly

Automatic Float Switch

$14.98

470055 (26014)

JOHNSON PUMP

- For full automatic bilge pumping operation, connect the automatic switch to a bilge pump.
- Has a time-proven micro switch without mercury.
- When water exceeds the acceptable level, the pump is turned on by a rolling steel ball changes the pressure, which changes the pressure on the micro switch.
- Can be used with 6, 12, 24 or 32 V systems.

MARINE PRODUCTS MPI INTERNATIONAL

Automatic Float Switch

$32.98

470017 (900-2000)

For bilge pump and high water alarm systems. Mercury switch potted in a urethane foam float will never waterlog. High impact polypropylene case protects float and prevents failures due to debris lodging on top or under the float. For manual operation simply rotate the external shaft. Self piloting mounting screws. Width 2-7/8. Length 5-1/2. 5 year warranty.

Heavy Duty Deck Wash Pump - Quad II

$199.98

352714 (04325143L) 4.5 GPM

- Shut off at 40 PSI.
- Self-priming.
- Automatic pump shut off feature.
- For fresh or salt water use.
- Includes plug-in ports for easy installation: (2) 3/4" hose bard ports and (2) garden hose ports.
- Pressure nozzle, non corrosive and 3/4" hose barb inline strainer.
- 3.75" H x 6.3" W x 9.9" L.

Quad DC Water System Pumps

$136.98

352702 (04405143A) 3.3 GPM, 12V DC

- Shut off at 35 PSI.
- Delivers smooth, steady waterflow without the need for an accumulator tank.
- The special internal bypass feature eliminates pulsating water pressure switch chatter.
- Designed for up to five fixtures.
- Self-priming up to 6' with backflow preventer.
- Includes plug-in ports for easy installation: (2) 1/2" Qest ports and (2) 1/2" hose barb ports.
- 3.75" H x 6.3" W x 8.2" L.

Flojet General Purpose Pump - Quad II

$149.98

352574 (04105501A) 3.3 GPM

- Used for: Diesel fuel transfer, liquid transfer jobs, dockside pumping, dewatering or circulation and engine oil changing.
- Designed with heavy duty ball bearings, thermal overload protection and a continuous duty motor for long life.
- Fitted with oil resistant elastomers.
- Self-priming and can be mounted above the waterline.
- Includes plug-in ports for easy installation: (2) 3/4 hose barb ports and (2) garden hose ports. Also includes a 3/4 inlet strainer.
- Dimensions: 3.75 H x 6.3 W x 8.2 L.
